The commission would like to thank Pastor Drew Nagle for the following report. The steering committee is working on its Mission statement, Vision statement and by-laws. If everything works as planned in the August assembly we will have a wonderful celebration for the dissolution of the old churches and the forming of this great new church.

MOVING TO THE FUTURE, BETTER TOGETHER: The four Presbyterian congregations in Rock Island continue to move forward, better together with celebrations of each congregations witness over the years. The plan is that all four congregations will worship at each of the congregations in May. The worship will be a time of celebrating and giving thanks to God for the ministry that has been and for what will be. Then on June 5, Pentecost Sunday we will worship as the new congregation. Though the ecclesiastical and civil details may not be fully completed, the plan is to move ahead.
